DON'T MISS THIS MEETING!

New York Chapter, Two Wall Street, New York 5, New York

Dear Fellow Members of VSS;

For our next meeting which will be held on Monday evening, March 19th, at the Columbia University Club, 4 West 43rd Street, New York City, we have been fortunate in obtaining the services of one of the world's foremost authorities on Intelligence Operations and Soviet Espionage in the Far East: -

MAJOR GENERAL CHARLES A. WILLOUGHBY, USA RET

You all know that General Willoughby, author of the current best-selling book, "MacArthur 1941-1951", was General MacArthur's Chief of Intelligence and head of MacArthur's OSS-type operations from 1939, all through the Pacific War, the occupation of Japan and the Korean War up until MacArthur's dramatic recall in 1951. No one was closer to General MacArthur during these years and no one is as qualified as General Willoughby to discuss his subject of very special interest to all Veterans of OSS;

"SOVIET ESPIONAGE IN THE FAR EAST"
and

"INTELLIGENCE HIGHLIGHTS OF AMERICA'S WARS IN THE FAR EAST"

General Willoughby has graciously consented to speak to us as members of the American Intelligence fraternity because of his interest in OSS and his desire to tell us, as a particularly knowing audience of many largely unknown intelligence stories of the Far East. He will also treat with particular emphasis Soviet Espionage in the Far East highlighted by the world-famous SORGE case which he exposed and its current ramifications in the Communist conspiracy in the United States.

This will unquestionably be one of the largest, most interesting and informative meetings in the 10-year history of VSS. All members and their guests are cordially invited for an evening of unique "inside" appeal which you will long remember. Following his remarks, General Willoughby has consented to answer questions. He will also autograph copies of his book on MacArthur which will be available for those interested.

Please sign and return the enclosed attendance card and plan to be with us Monday evening, March 19th at the Columbia University Club. Usual refreshments of course.

Sincerely yours,

President
